Workshop on
Qualitative Approaches in Social Science Research

Organized By

Department of Earth Science

UNIVERSITY OF SCIENCE & TECHNOLOGY MEGHALAYA

Accredited 'A' Grade by NAAC

About the Workshop:

Greetings from Department of Earth Science, University of Science and Technology, Meghalaya (USTM)!

It's a great pleasure that the Department of Earth Science, USTM is organizing a Workshop on Qualitative Research in Social Science Research in offline mode. The overall aim of the workshop is to encourage post graduate students, scholars, academics and individuals to gain knowledge and address to various issues and challenges in the field of Social Science Research. The workshop will be held in two sessions which includes- Lectures on Focus group discussion, Grounded theory, Case study etc. alongwith a Hand on session on various aspects of qualitative research. In this backdrop we expect the participation of people from qualitative research areas.
